

HECTOR RAMIREZ

SERVITOR OF HOUSE LIONES

RAMIREZ FAMILY

You are the bodyguard of Hector Ramirez, you have worked for Hector for the past 10 years and he has always treated you well. Your Dominus "Master" has asked you to pretend to be him for a party that he is throwing at the Metal Church of Asmodeus in Arkham. From what Mr. Ramirez has told you, he believes that there is a chance that one of the attendees of the party might decide to get violent with him because of his blackmail of them. So it has been decided that you will stand in Hector's place as Hector to handle all of the dealings that he has planned. From what he has told you, it is time to cut some of his agents loose because they are no longer giving him useful information and also to renegotiate the terms of blackmail with those that are giving useful amounts of information. Each person has secrets that would destroy them if they were to ever come to light. You are to use those secrets to raise the stakes of blackmail on those that Mr. Ramirez plans to keep. Mr. Ramirez has made arrangements with the club owner to deal with those agents that are no longer useful; simply motion to Mr. Lucian after speaking with those that you cut and he will deal with them.
