

# NOTES

You are from the now extinct Vitorelli family of House Ramius. In 1585 a Revenant came to your family's estate in Ravenna Italy and murdered every member of your family. Because of your strong will to live, Darius brought you across. For several centuries you were forced to travel Europe at Darius' side. But in 1885, you were finally able to go on your own; it was in this year that the Order of Saint Lazarus finally caught up with Darius and put an end to him. After Darius was gone, you boarded a steamer and came over to the New World. You travelled about America for about 40 years before settling in the Boston area. About 20 years ago a True Blooded Atlantean by the name of Hector Ramirez came to you and told you that he knew of your true nature, and that if you would ever refuse his periodic requests for assistance, he would reveal everything he knew to those in power. He has finally called in one last request, he wants to hold a gathering of Atlanteans at your club; the Metal Church of Asmodeus. If he chooses to unmask you, then its time to permanently end his machinations.
