

## PERSEPHONE HELLSTROM

SERVITOR OF HOUSE LIONNES

RAVENSROFT FAMILY

All your life you were raised with the belief that it was the duty and honor of the Hellstrom Family to protect and defend the interests of the Ravenscroft Family of House Lionnes. From the day that you were born you were told that your family were of a noble line of Servitors of Atlantis, that if you stayed the course and played your cards right you would eventually be adopted into House Lionnes and married off to one of the Faux Blooded members of the House. As the years went by you realized that all of the promises were simply carrots dangled in front of you to keep you in line; a happy, loyal Servitor of House Lionnes. After a while all of those empty promises became a festering sore in your life. It was time to make a change. You sought out agents of the Renegade House of Fallcourt and willingly offered them your aid and information on the Imperium. Not long after making this deal, an agent of an Atlantean by the name of Ramirez contacted you and began blackmailing you in exchange for even more information on the secret movements of the Ravenscroft Family. Everything is falling apart and you need to put an end to this blackmailer before he can reveal your treachery to the Ravenscroft Family.
